

**School of Physical Sciences**  
**Department of Chemistry**  
***Position: Postdoctoral Scholars (JPF08957)***

The Department of Chemistry anticipates openings for Postdoctoral Scholars throughout the 2024-25 Academic Year. Applications are being sought from recent Ph.D. graduates with backgrounds in various areas of Chemistry or a related field (degree date of 2019 or later).

- Inorganic or Organometallic Chemistry
- Organic Chemistry or Chemical Biology
- Physical, Atmospheric, or Analytical Chemistry
- Polymer, Materials, or Nanoscience Chemistry
- Theoretical Chemistry

This is an ongoing recruitment. Positions are dependent on extramural funding and research contracts of individual Principal Investigators. Initial appointments are for one year and renewal will be dependent on availability of support. Salary will be based on University of California guidelines for the Postdoctoral Scholars and is commensurate with experience.

Please apply online at <https://recruit.ap.uci.edu/JPF08957> with a cover letter that also describes your immediate and long-term research goals, a curriculum vitae including publications list, and names of three letters of references (please do not solicit letters).

*The University of California, Irvine is an Equal Opportunity/Affirmative Action Employer advancing inclusive excellence. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected categories covered by the UC nondiscrimination policy.*
