

University of California, Irvine - **FACULTY POSITION IN CHEMISTRY**

The Department of Chemistry of the University of California, Irvine invites applications for a tenure-track position at the Assistant Professor level in Chemistry. We seek a Ph.D.-level scientist who will establish a vigorous research program in Chemistry; candidates with expertise in Inorganic Chemistry or the Chemistry of Soft Materials are particularly encouraged to apply. The candidate should also be committed to teach chemistry at the undergraduate and graduate levels. Candidates must have a Ph.D. in Chemistry or a related field; postdoctoral experience is desirable. Applications must be submitted electronically via the Internet at <https://recruit.ap.uci.edu/apply/JPF05547>. Applicants should upload a cover letter, a curriculum vitae (including a publication list), a concise statement of proposed research, and a teaching statement. A separate statement that addresses past and/or potential contributions to diversity, equity and inclusion should also be included in the application materials. Applicants should also arrange to have three letters of recommendation submitted on their behalf. To insure full consideration, applications and supporting materials should be received by October 15, 2019. *The University of California, Irvine is an Equal Opportunity/Affirmative Action Employer advancing inclusive excellence. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected categories covered by the UC nondiscrimination policy.*
