

School of Physical Sciences
Department of Chemistry
Position: Project Scientist (JPF08960)

The Department of Chemistry anticipates openings for all levels of the Project Scientists series throughout the 2024-25 Academic Year. Applications are being sought from candidates with Ph.D. degree with backgrounds in various areas of Chemistry or a related field:

- Inorganic or Organometallic Chemistry
- Organic Chemistry or Chemical Biology
- Physical, Atmospheric, or Analytical Chemistry
- Polymer, Materials, or Nanoscience Chemistry
- Theoretical Chemistry

This is an ongoing recruitment. Positions are dependent on extramural funding and research contracts of individual Principal Investigators. Initial appointments are for one year and renewal will be dependent on availability of support. Project Scientist series rank will be determined based on qualifications and experience.

Please apply online at <https://recruit.ap.uci.edu/JPF08960> with a cover letter that also describes your immediate and long-term research goals, a curriculum vitae including publications list, and names of three letters of references (please do not solicit letters).

The University of California, Irvine is an Equal Opportunity/Affirmative Action Employer advancing inclusive excellence. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected categories covered by the UC nondiscrimination policy.
