* All STS participants are welcome to join the Fellows and Mentors at these monthly meetings. Please RSVP to 714/824-2936.

STS News

Two STS schools, Westminster HS and Trabuco Hills HS, were selected by the Project Tomorrow program to be supported over the next few years for their projects.

If you submitted a "Renaissance" proposal but were not selected for support, let us help you find other government and/or private support agencies for your proposal. Contact Frank Potter.

Cartoon by STS Fellow John Jawor of Savannah High School

Interest Group Meeting
Next Meeting Saturday April 26 1997
at UCI 9 a.m. to 12 Noon

** in PS Trailers: More info to follow **

Some Fellow/Mentor Interactions:

Karen Siebert (Fellow, Killybrooke Elementary) and Janet Yamaguchi (Mentor, Discovery Science Museum) helped 5th grade students at Killybrooke don rubber gloves and dissect cow eyes. Each part was identified and displayed on a card.
